**BEAUTIFULLY
PRODUCED.**

PINK & WHITE PRODUCTIONS

creates adult entertainment that exposes the complexities of queer sexual desire. Taking inspiration from many different sources, Pink & White is dedicated to producing sexy and exciting images that reflect today's blurred gender lines and fluid sexualities. What makes someone wake up one morning and decide to become a porn producer? Luck! Shine Louise Houston, owner of Pink & White Productions, finally found an outlet for her inner 14 year-old boy and is now part of the legacy of women producers.

“There is power in creating images, and for... a woman of color and a queer to take that power... I don't find it exploitative; I think it's necessary.”

Founded by Shine Louise Houston in 2005, Pink & White's featured films and projects have screened worldwide, and presented at academic institutions, most recently at Stanford University. Houston has been honored at the PorYes Feminist Porn Awards in Berlin and was noted Toronto's Feminist Porn Awards' Visionary, as well as Curve Magazine's Sex Curator. Her work adds representation to queer sexualities, spanning communities of color, gender expression, sexual desire, body politics, BDSM and other marginalized experiences with strikingly beautiful cinematography, humor, and realism. Following the popular best-selling movie "The Crash Pad", the company's website **CrashPadSeries.com** portrays an illustrious San Francisco apartment where queers go to have the best sex of their lives. Houston's project Heavenly Spire explores masculine sexuality in her signature style. And digital distribution hub **PinkLabel.tv** provides fair-trade porn on demand, presenting independent adult filmmakers. WHO

SHINE LOUISE HOUSTON

DIRECTOR
&
PRODUCER

As the pioneering producer and director of *Pink & White Productions*, Shine Louise

Houston has always had unique vision. Graduating from San Francisco Arts Institute with a Bachelors in Fine Art Film, her works have become the new gold standard of adult cinema. During a five year position at the women-owned, sex toy purveyor Good Vibrations, Shine recognized an underserved demand for an alternative to mainstream pornography, and began to create well-crafted queer made porn. Shine's films have been recognized among the next big wave of women produced porn and have been internationally screened from Amsterdam to New Zealand.

JIZ LEE

Starting their career with an ejaculation scene that knocked the concept of the

a genderqueer adult performer straddling genders and porn genres, now with over 200 projects from indie and mainstream, American and International porn houses under their belt. Jiz was awarded the Feminist Porn Award's Boundary Breaker, nominated AVN's Best Web Star, and many other accomplishments each a defining moment within their exploits in adult. It was through pornography that Jiz began writing as a contributor in various web and print publications, from Jezebel.com to the The Feminist

Porn Book. Talking publicly about porn has also helped Jiz overcome — for the most part! — fear of public speaking; Jiz has lectured at numerous colleges and universities, causing a stir that headlined on Fox News, MSN and UK’s Daily Mail tabloid (made it!). Despite the hype, Jiz hopes simply to bring sexual diversity in porn, and to help cultivate more examples and understandings of consent and pleasure. Throughout the years, Jiz has their fingers in a lot of good places... not least of which is moonlighting behind the scenes as Online Marketing Director at Pink & White Productions.

SYD BLAKOVICH

CO-PRODUCER

After graduating from a small liberal arts college with a BA in Studio Art, Syd has been driven to make an impact in the world of accessible media. Interested in the intersections of the erotic body in the public realm, she continues to focus her academic, artistic and professional goals where gender politics and queer theory collide.

Syd can be found in front of the computer designing digital landscapes of desire as well as in front of the camera sharing her passion for the “personal as political” lifestyle. Syd is deeply honored to have starred in the following award-winning movies: The Crash Pad (Jiz Lee & Shawn) 2006 Feminist Porn Awards Best Dyke Sex Scene, CHAMPION: Love Hurts (lead) 2009 Feminist Porn Awards Movie of the Year, Crash Pad Series Volume 5 (Shawn & Mickey Mod) 2010 Feminist Porn Awards Audience Choice Award, Sweat (Justine Jolie & Syd Blakovich) 2011 AVN nominated for Best Girl/Girl Sex Scene, and Strapped Dykes (Syd Blakovich & Bobbi Star) 2011 AVN Best All-Girl Couples Sex Scene.
